Date: September 6, 2006

Mail Stop Amendment  
Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

**RESPONSE TO RESTRICTION REQUIREMENT**

In response to the restriction Requirement dated July 6, 2006, please extend the period of time for response one (1) month, to expire on September 6, 2006.

Applicants elect Group I, including claims 1-28, for examination with traverse.

The requirement is traversed because it is believed by the applicants that all claims as filed are directed to the invention. It is respectfully requested that the non-elected claims be reinstated for examination when allowable subject matter is found by the examiner.
